

**INVESTIGATE AND ALERT**

# TLOxp for Automotive

## OVERVIEW

### Verify identities faster, and stay ahead of fraudsters

With TLOxp®, part of the TruLookup™ product line, you can get deep consumer and business insights quickly to verify identities, help prevent fraud, aid collections and support regulatory compliance.

## HARNESS THE INVESTIGATIVE TOOL ORGANIZATIONS TRUST

Designed for ease of use, TLOxp filters our data repository of public and proprietary information to deliver a current, detailed history of an individual, business or vehicle – instantly. Rapidly sorting through billions of records, it provides the critical data you need to help prevent fraud, recover debt faster and ultimately improve your bottom line. See why automotive lenders, dealers, collectors and repossession professionals choose TLOxp.

## PRODUCT FEATURES

### Combat fraud with actionable insights

Instantly find addresses, phone numbers, places of employment, criminal records, bankruptcies, liens, assets, relatives, associates and more.

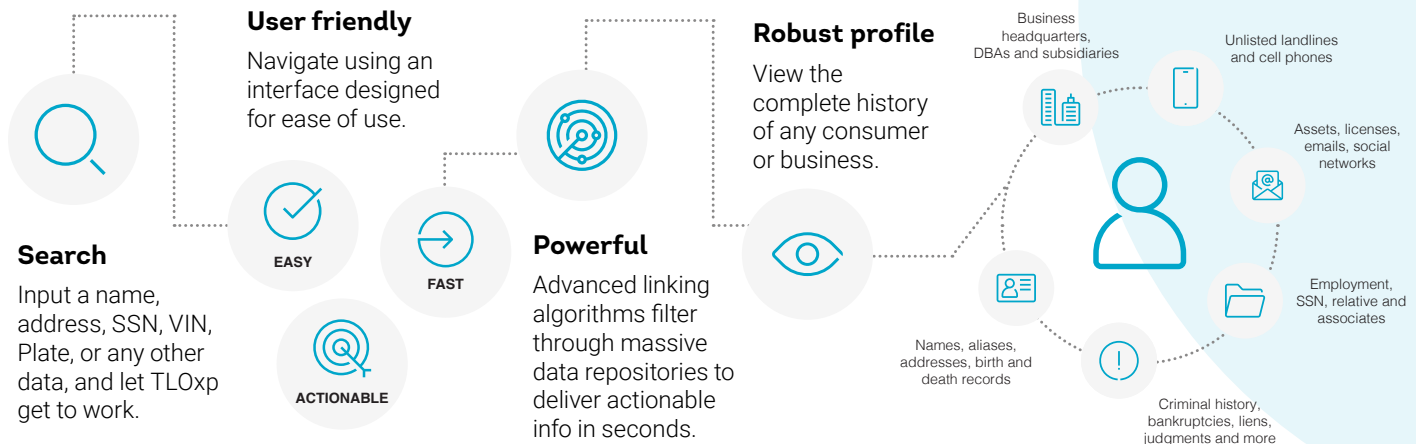

### Boost collections, support compliance, customer experience and more

Access TLOxp whenever you need to improve debt recovery rates, regulatory compliance efforts, customer onboarding and more. Reliable, up-to-date insights are available 24/7.

### Enjoy cost-effective, flexible options

You can configure TLOxp to meet the specific needs of any industry and any size organization, at a competitive price.

# How TLOxp Works

Discover how TruLookup can help you identify risk and protect your bottom line.

## INSTANTLY VERIFY IDENTITIES AND MORE TO HELP PREVENT FRAUD

TLOxp compiles a robust view of an individual, business or vehicle in seconds. In one click, flag inconsistencies, identify fraud indicators, uncover convictions, view bankruptcies, review assets and more. Get the detailed data you need via:

- **Expert Searches**

See connection points between your search subject and relatives, associates, companies and more.

- **Advanced Expert Searches**

Enter a partial SSN, incomplete address, or any fragment of info and TLOxp narrows your search to the most relevant options.

- **Business Searches**

Find headquarters, subsidiaries, DBAs, corporate officers, board members, bankruptcies, liens, time in business, active or closed businesses and more.

### Save time and increase efficiency with API, batch and monitoring solutions

Use TruLookup batch processing and monitoring solutions to flag, scrub and monitor individuals quickly – or integrate TLOxp into your software system via TruLookup API.

### Control use access, reports, search criteria and more

Set access parameters for users, decide who sees what, define the search criteria and create custom reports featuring your logo and selected search criteria.

### Receive full training and support

From login set-up to help with reports, TransUnion offers training and support services – all free of charge and customizable to meet your specific needs.

Enjoy flexible access to superior data – how and when you need it. To learn more, call 800-856-5599 or visit:
